ABOUT AIU

Association of Indian Universities (AIU) is an apex inter university representative body of universities and other higher education institutions in the country. Established in 1925 as the Inter University Board (IUB) of India, it acquired its legal status as a registered society in 1967 under the Societies Registration Act 1860 and was rechristened as Association of Indian Universities (AIU) in 1973. AIU is the second oldest university association in the world next to the Association of Commonwealth Universities which was established in 1913. It has the distinct feature of having the largest network of universities and other HEIs under its ambit with 1002 members in India including 16 foreign universities who are the Associated members. The membership of AIU includes all types of universities e.g., Conventional Universities, Open Universities, Deemed to be Universities, State Universities, Central Universities, Private Universities and Institutes of National Importance. In addition to Indian Universities, Universities/Institutes from Bangladesh, Bhutan, Republic of Kazakhstan, Malaysia, Mauritius, Nepal, Thailand, United Arab Emirates and United Kingdom are its Associate Members. Since its inception AIU has played a very significant role in the development of Higher Education in the Country. Some of the eminent scholars and visionary leaders like Dr. Sarvepalli Radhakrishnan, Dr. Shyama Prasad Mukherjee, Dr. Zakir Hussain, Sir A. L. Mudaliar have given leadership to AIU. During such a long journey, AIU has carved a niche for itself by serving the Ministry of Education, Govt of India as a research-based policy advisory body. Being an apex institution, it constitutes an integral part of all major decision-making committees and commissions in the country. As an academic 'think tank' organisation, AIU supports the Government as research-based policy advisory body with the wider mandate of taking up research projects on higher education policy, capacity building.

It also acts as a bureau of information on higher education; liaise with international bodies and universities for internationalization of Indian higher education among many others. The Vision of AIU is to emerge as a dynamic service and apex advisory organization in India by undertaking such initiatives and programmes which could strengthen and popularize Indian higher education as leading-edge system in the world and promote greater national and international collaboration in Higher Education, Research, Extension, Sports, Youth and Cultural Activities.† is bestowed with the mission of promoting and representing the Indian Universities and other higher education institutions through strong liaison with the government and National/International organizations, sister associations world over and establish liaison between/among universities through active support, cooperation and coordination among the member universities and all its stakeholders for quality education, research and other academics and extension activities.

ABOUT VAISHNAV TRUST

1884 is the landmark year as the foundation stone was laid 139 years ago for Shri Vaishnav Group of Institutions by compassionate philanthropists of Indore, MP (India) which was later reconstituted as Shri Vaishnav Sahayak Kapada Market Committee in the year 1934. Shri Vaishnav Vidyapeeth Trust believes in taking the Nation forward by improving the quality of life of its citizens by continuously working in the sphere of education, health and environment. It has been established to promote education and research in various disciplines through academic Institutions for the benefit of all sections of the society, but not with the motive of profit.

ABOUT FDP

This FDP on Reimagining Pedagogy and Curriculum for Holistic & Multidisciplinary Education in the Light of NEP 2020 equips educators with the pedagogical skills and curriculum design strategies needed to implement NEP reforms effectively. It focuses on experiential and inquiry-based learning, competency-driven pedagogy, inclusive practices, and outcome-based assessments that enhance critical thinking, creativity, and real-world problem-solving. The program also provides practical guidance on curriculum restructuring, multidisciplinary course design, and integration of IKS, life skills, and vocational elements. Aligned with NEP's vision of flexibility, interdisciplinarity, and holistic learner development, this FDP offers practical insights into curriculum restructuring, multidisciplinary course design, and the integration of IKS, life skills, and vocational components. A key highlight is its strong emphasis on academic-industry interaction, helping educators understand emerging skill requirements, industry expectations, and strategies for aligning curricula with workplace needs. Through expert interactions, best-practice sharing, hands-on digital tool sessions, and blended learning workshops, participants will explore

collaborative models, internship structures, and project-based learning approaches that enhance employability and strengthen industry readiness.

This FDP ultimately empowers educators to design innovative, future-ready teaching-learning environments and drive institutional transformation in line with NEP 2020.
